

Dear Jammu & Kashmir based consumers , we are pleased to inform public in general that PHE department has started online e-billing services on account of realization of water usage charges through www.jkphedwaterbilling.com . You can register on this portal & can pay your bills online by using unique **consumer ID's** mentioned on the hard copy of the bill. Even you can apply for sanctioning of new connections online though the above mentioned website.

You can also pay your water usage charges by offline mode (over the counters) which are already made available at all **J&K bank** branches based on production of hard copies of water tax bills having unique consumer ID's.
